

IWC DOMBIVLI

Let us make Inner Wheel  
A symbol of HOPE

## SALUTES

**Dr. VANDANA AGGARWAL DHAKTODE**

for valuable contribution to the Covid 19 Pandemic  
crisis.

When the world dared not step out,  
For fear of losing lives,  
An army of our doctors  
Was all ready to sacrifice.  
Leaving behind loved ones at home,  
They braved the nasty enemy,  
They put up a strong front,  
To serve someone else 's family.  
INNER WHEEL, Dombivli..., pays respects  
and thanks profoundly all the doctors who  
are the epitomes of love, commitment, and  
humanity.
